Wedderburn Coach House Gallery and Museum Christmas in July

A great night was had by all at the Christmas in July at the Wedderburn Coach House Gallery and Museum.

The night started with a short walk from the Soldiers Memorial Park to the Museum with everyone carrying a lantern that helped start the night with a warm friendly atmosphere with fun and laughter.

On arrival to the museum guests were greeted by a group of local carollers singing, with light snow falling giving the feel of a white Christmas.

A magnificent moving snow scene projected onto the wall was admired by the guests and people travelling along High Street.

Everyone enjoyed a camp oven roast meal, followed by a lantern tour of the museum.

Enjoying the warm fire inside gave everyone the chance to catch up and chat before supper was served.

Moving snow scene projected onto the outside wall.

Patrons at the Soldiers Memorial Park ready for their lantern walk to the museum.

2018 Naturally Loddon Spring Festival

The Loddon region is once again set to showcase its history, art, communities and natural wonders this spring as it celebrates the end of winter with the annual Naturally Loddon Spring Festival.

Featuring a jam-packed events calendar, the festival will kick off with its official launch on 2 September at Piccoli's Star Spanner Sculpture Gardens Father's Day Picnic.

The festival has a total of 14 events listed with something for all ages to enjoy.

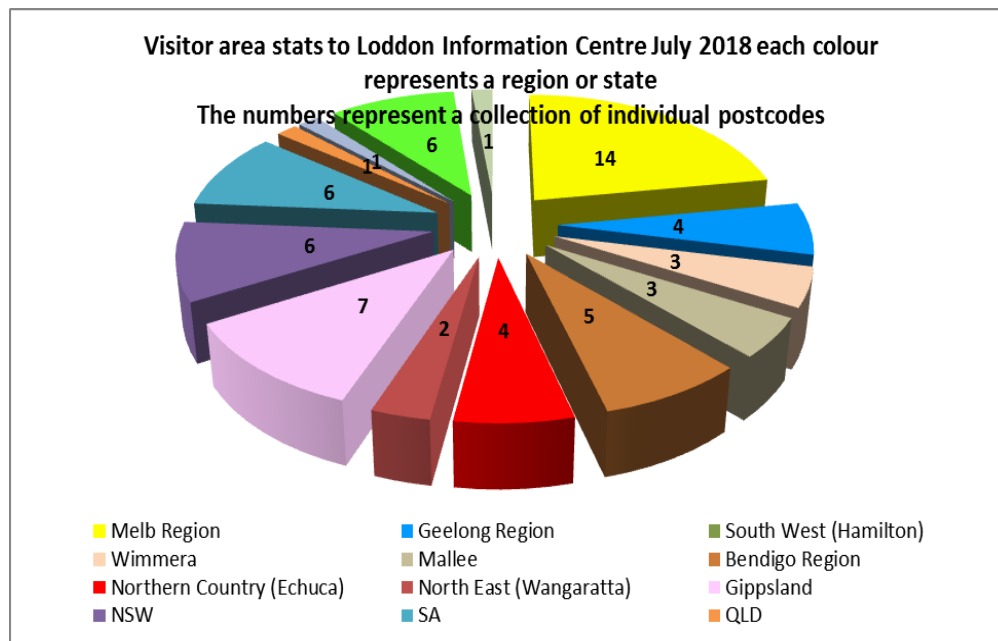

To obtain a copy of the calendar of events, call into the Loddon Visitor Information Centre at 24 Wilson Street, Wedderburn or phone 5494 3489.
