

Our Commitment to Child Safety

Volunteer organisations/groups that support young volunteers and or work with children and young people are required to comply with Child Safe Standards. This is to ensure that child safety is promoted, child abuse is prevented and any allegations of child abuse are properly responded to.

We are committed to:

Conducting background checks.

Providing training and supervision for all roles.

Recruiting the most suitable staff or volunteers.

Having key selection criteria for roles.

Assessing applicant's skills and suitability for roles.

Doing reference checks.

Providing induction, supervision/ support so volunteers know how to keep children safe.

Making clear that child safety is part of our culture.

Starting in July 2022 there will be 11 Child Safe Standards.
